Mechanics vs. Substance From the Lay Director Frank Jakob M57

"Do not worry about your life and what you will eat, or about your body and what you will wear. For life is more than food and the body, more than clothing. Notice the ravens ... Notice the flowers ... If even the smallest things are beyond your control, why are you anxious about the rest?" (Luke 12:22 ff.)

Cum Christo has an obligation to see to both the mechanics of our operations, as well as the continuing substance of the movement. Having prayed about our mechanics, the Lord has blessed us with volunteers for the Cum Christo Operations Group (COG), see the January 2001 Quiri at www.CumChristo.org.

The substance of the movement has to do with the purpose, mission, and method of Cum Christo.

- The purpose is to become leaven in the world, changing the world for Christ, one person at a time.
- The mission is to energize, then enable lay Christian men and women to effectively penetrate their environments with faith in Jesus Christ.
- The method for persevering in this mission and achieving the purpose is group reunion and "Ultreya!" (The Spanish word for onward.)

When we promote the movement, it is only so that when you approach a candidate there may be an awareness about your invitation ... so that there is credibility and authority

behind your invitation (that of the Church) ... so that you can point to the thousands of others who experienced Cum Christo and the millions of those around the world who have entered their Fourth Day.

In the end, however, the invitation to attend a weekend is a personal one: one between you and your friend, between sponsor and candidate. Choose your candidates, the Lord's leaders, wisely, then sponsor them aggressively. Bless couples with the gift of being sponsored together, early enough so as to be scheduled to make sequential weekends (Spring or Fall). Ultreya!

Sponsor/Candidate Communications and Application Processing Sandy Goggins W113

Have you ever wondered what happens to those weekend applications once they are submitted? One of the segments of the new COG team (Cum Christo Operations Group) is application processing. We are still in transition and are working on fine-tuning the system. However, our goal is to provide prompt handling of applications and timely communication with candidates and sponsors.

The entire process of receiving an application and posting it to the weekend candidate list is accomplished in three phases:

- 1) Mail is picked up at the Cum Christo post office box weekly (more frequently

just prior to a weekend) and forwarded to application processing.

2) Applications are reviewed for complete information, and correspondence with candidates and sponsors are generated.

3) The web servant is notified of current candidate lists for posting on the website.

The expectation is for each candidate and sponsor to receive an acknowledgement letter within 10 days of receipt of an application. The candidate and sponsor will then receive a more detailed letter 2-3 weeks prior to the weekend. If there is a cancellation, candidates and sponsors will receive acknowledgement within 10 days, with options for attending

future weekends. Any carry-over applications will be added to the next available weekend with letters going to both candidate and sponsor 3 to 4 months prior to the weekend.

Any questions regarding the status of an application can be directed to the new office voice mail GO4-CHRIST (464-2472), option 1; or email Sandy at goggs@nls.net.

Let's all continue to nurture the growth of Christ in our communities by providing weekend opportunities to potential candidates. Christ is counting on you!

SPONSORS: *Please remember your commitment to "Pre" and "Post" Cum Christo weekend clean up. Cleaning begins at 7:00 PM the Monday before and the Monday following the weekend. If you are unable to help, find someone to take your place. Many hands make short work.*

KITCHEN AND FOOD: *Please call Terri Turner W101 (740) 964-0850 (H) to volunteer either as a day steward or to help prepare a meal. Fridays are particularly hard to staff. If you are neither a sponsor, nor the spouse (or family) of a team member or candidate participating in the Weekend, sacrifice the time: call and offer your help. Also call Terri if you are planning to donate any food for the Weekend. As always, your help is **welcomed and NEEDED**.*

PALANCA: *The essence of Palanca is a message of sacrifice. Write extra Palanca notes addressed "Dear Babe Chick" for candidates you do not know. Palanca from strangers is powerful stuff. GENERAL Palanca is introduced on Friday afternoon; deliver it as early as possible Friday morning. PERSONAL Palanca from sponsors, spouse/family, and guardian angels is introduced on Saturday afternoon; deliver it by mid-morning Saturday and write your relationship to the candidate on the envelope. Palanca from the community is distributed Saturday evening; deliver it no later than mid-day Saturday so it can be sorted and evenly distributed. Palanca in the form of gifts is distributed late Sunday afternoon before the Closing.*

SERENADE: *Sunday - Will begin promptly at 6:00 AM. Please do not bring children. For those interested, breakfast at TeeJay's on Dublin Road immediately following the Serenade.*

CLOSING

The Closing will be Sunday, April 29, 2001, 7:00 PM, at All Saints Lutheran Church in Worthington, 6770 N. High Street (A half mile south of Rt. 270). Please be supportive of this smaller Cum Christo Community by offering to help with closing arrangements and refreshments. Call Tom Jackson M129 at 766-9493 or Pat Ciccone M131 at 740-881-5622. Bringing children or guests to the closing is inappropriate. All Cum Christos and other Cursillistas are encouraged to attend the closing to support the Babe Chicks, the team, and to gain a renewed and refreshed spirit.

Cum Christo Corner

Passages...

The By Laws of the movement encourage the refreshment of leadership within the movement. Terms on Secretariat are typically two years, renewable for two more. In March, the Post Cum Christo Section passed the leadership position from Jill McGregor W109 to Sue Shetler W110.

We praise Jesus for the organization and direction that Jill brought to her role regarding the Permanent Ultreya Team (PUT), and the Post Cum Christo Section, which is responsible for all Fourth Day events and activities. We thank God for Sue, who brings unbounded energy and a faith centered witness to the role. God bless you both in your endeavors.

All are welcome...

The Holy Cross Church community is celebrating its anniversary with a BIG celebration on Sunday September 16, 2001, in the Holy Cross School Building. They invite anyone and everyone who has a connection with that faith centered community: Cursillo, Cum Christo, St. Lawrence Haven, Engaged Encounter, Beginning Experience, Via de Christo, former students, former occupants (Catholic Times), ... Everyone!

Watch the Quiri for more details, but reserve the date: Sunday, September 16, 2001.

Some people think...

Some people think that cliques run the movement. That impression often surfaces between the names that show up frequently on team lists, and the inability to change things. Names recur because rectors are obligated to have half the team as experienced team. The simple math means the other half is new. Things do not change as fast because we work hard to remain true to the authentic foundation of the movement.

The next time you see a familiar name, take the time to notice the unfamiliar names. Then answer the question "Is this balanced between new and experienced?" If not, let me know (LayDirector@CumChristo.org; 614/GO4-CHRIST, option 2). The movement works hard to see to the carrying forward of the fundamental nature of Cum Christo while educating, training, and bringing on new people to serve in future roles. All the time remaining true to the substance of the movement.

Did you know...

Did you know that the Chapel is open from 7 AM to 10 PM for anyone to come in and pray during a weekend? Those on the vigil list are encouraged to sacrifice, do palanca, and spend their hour in prayer in the chapel. Anyone else may come down and pray also. Do it on your lunch hour on Friday, or during the weekend. The candidates will see you. That is OK. The rector will make the connection between prayer, the community and the weekend in his remarks on Sunday.

It's a fact...

It's a fact that the generosity of the Cum Christo community allows us to sustain ourselves financially. The Sustaining Fund 2001 Challenge program is underway, challenging the many to match the generosity of a few. In this way we will see to our financial needs to manage the Holy Cross facility for ourselves, and the other faith-based programs that use the building.

Earlene Jeffries Memorial...

Monetary donations for Earlene Jeffries W29 were sent to the National Transplant Assistance Fund in memorial of Earlene and the Kroger's generous donation of \$250 in gift certificates were divided between The Barbara Bonner Holy Rosary Family Center and the St. Paul Pantry.

May our Lord richly bless those who gave of their time to serve on the planning committee and other volunteer activities for the planned benefit dinner for Earlene. Now she feasts in heaven with the Lord!
