An Invitation to the Harvest. . .

The harvest is rich but the workers are few; therefore ask the harvest-master to send workers to his harvest.

-- Luke, 10:2

The Cum Christo Center is ours to use. But it is also ours to care for. In reality, however, there are very few people to help with the maintenance of this building.

In addition to some finish work in the kitchen, for example, volunteer help is needed for plastering and painting, as well as general maintenance projects throughout the facility.

Consider this your invitation to volunteer. And the good news is that you don't have to be a professional to lend a hand!

Please consider an action by contributing some of your time and energy to this treasured building. You will find it's a fun time to join with other Cursillistas.

Sadly Missed But Not Forgotten. . .

Cum Christo lost two very committed and involved Cursillistas last May 13th.

Topsy Harbold, W13, went to her 5th day after a long illness. For many years, she typed the garnet cards and prepared all the 4th day packets. Twelve days later, Dick Harbold, M04, went to meet Topsy and our Brother Jesus; Dick was very involved through the years and rarely missed an Ultreya.

Both served on many teams and gave of their time to help build and strengthen the Cum Christo movement and were splendid examples of Christian leadership in action.

Topsy and Dick are sadly missed, but our community is richer for their tireless energy and generosity.
