## A Message From The Lay Director

Sukey Di Cesare, W48

What is happening at CumChristo? Hopefully this article will get you "up to speed" on what is happen at CumChristo! I have been asked to repeat what was written in the July teaching issue.

**New Outreach Program** - CumChristo has had the prayer chain for many years now. If you are not on the prayer chain and would like to be, just go to the web site [www.cumchristo.org](http://www.cumchristo.org) and sign up. This is a wonderful place to lift up our needs and thanksgivings to the Lord and receive support from our Community. Mary Johns, W16, brought to Secretariat's attention the need to do more than just pray for each other. Mary not only brought it to our attention, but also agreed to get it started!

Mary needs your help in reaching out to those who need our support. She needs your support in mailing contact cards from the Community to let them know they are supported in their present needs. Ongoing encouragement is needed, such as phone calls, emails, visits, to encourage their continued involvement in Cum Christo. We need you to keep our community informed of their present needs by contacting the prayer line or Mary at 614-847-9771. The CumChristo Outreach is just for Cursillistas. This is our opportunity to be the hands, feet, arms and ears for Christ. Sometimes people need a "God with skin on," and we can be that person.

**Sustaining Fund** - "To whom much is given, much is expected" can also mean that we need to give of our financial gifts too. Your support of the Sustaining Fund is needed to continue the movement on an on-going basis. We were blessed to have received a grant to replace the windows at the center, but were not as fortunate when we asked for a fire escape and a chair lift. We need your help to keep this beautiful old building in good and safe condition. The CumChristo Outreach Program may need assistance to help with food, clothing or shelter for our fellow Cursillistas who may not have a group to help them through a difficult time. Christmas in July and our Christmas at the JC Arms to the seniors in our area are greatly appreciated by them. We need your help to keep those smiles on their beautiful faces.

I asked all of us to pray about your financial gift this year to CumChristo. After you have determined what you are going to contribute to the Sustaining Fund, I ask you to consider an extra gift to Christmas In July and/or Christmas for Seniors at the JC Arms and/or to Cursillistas Outreach. These gifts can be designated to the specific fund.

**Long Range Planning Team (L.R.P.T.)** - Now I am excited to tell you the good news that is coming out of the Ad Hoc Long Range Planning Team chaired by Bill Gibeaut. This team, made up of Bill, Father Michael Reis, Stacey Bergmann, Sandy Goggins, Becca Schott, Tom Dlusky, Bert Kram and Joe Di Cesare, is the result of the Day of Reflection we had in January 2004 and has been looking to the future of CumChristo.

Bill Gibeaut presented his committee's researched and well thought out work on the CumChristo mission statement and methods statement. Bill presented all the rationale and reasoning behind the words chosen to be used in the mission and methods statement. The mission statement answers the question "Why do we exist?" and the methods statement is basically what is published in our literature now answering the question "How do we accomplish our mission".

The marketing of CumChristo was the 3rd recommendation presented by Bill. It was recommended by the LRPT to develop a video about CumChristo. We have been a small, old, ecumenical ministry since 1971, but we are not well known. The LRPT will find a professional to do the video for us. We need new brochures for lay people and one directed to pastors and church leaders. Secretariat unanimously agreed to these recommendations and is in the process of implementing them. I hope that you read our new mission statement on the first page of this *Quiri!*

**Music Ministry** - Another change that is happening in CumChristo is a change in music leadership, as Joe wrote about in last month's *Quiri*. If you feel you are being called to this ministry please contact Joe or Sukey. We would love to get a keyboard for the center, but we need to know if there are any musicians who would be willing to join the music team and would use it. Let us know ASAP so that we can sign you up for Weekend Orientation and get you involved. Music is such a dynamic part of CumChristo, and we would love to have as many people be a part of it as possible.

If you and/or your group have not been down to the center recently, try to schedule your grouping for a Wednesday evening. Our wonderful building team has made great changes to this beautiful old building, and we'd love to show them to you. Most of all, we'd love to have your share your presence with us.

May God continue to bless you as you go about building His Kingdom in your many environments. DeColores.

## Grace

*Sister Loretta Forquer, W14*

On reflecting on a topic for the *Quiri* this month, it occurred to me that we have seldom had an article on the whole foundation, the theology of CumChristo on which the rest of the weekend builds. GRACE. GRACE the essence of Christianity, the heart of the Gospel. I'm not sure I remember the catechism definition of grace; definitions often are somewhat limiting, anyway. Descriptions are usually clearer.

GRACE is love. God's unconditional love for us, the gift God offers us, free of charge, no strings attached. It's not "I'll love you if; it is: I love you! I want a relationship with you." (Close your eyes and repeat that to yourself until it begins to sink in.) Psalm 139 says: "You formed my inmost parts, knitting me together in my mother's womb. I thank You that I am fearfully, wonderfully made."

God delights in YOU! As Saint Paul points out (Eph. 2:10): You are God's work of art, fashioned in Christ, Jesus, fashioned to shine with goodness and light. ME? Yes. You! Ordinary, klutzy, run-of-the-mill you! (That's how you usually underestimate yourself.)

How do you/we respond to this incredible offer of love? The answer is faith, our belief in the fact of God's love, our acceptance of God's acceptance of us. We tend to spend so much time and energy with thoughts like: "God couldn't really love me, with the way I've messed up God's creation; I'm not worthy, et cetera, et cetera." And God says, "Bosh." Well, not in that language exactly. God is much more elegant. God says through Isaiah the prophet: "I have called you by name. You are mine.... You are precious to me and I love you." (Isaiah 4:1-4) Would you contradict God?

It seems to me that these are the two most important concepts of the Bible and of CumChristo: God's unconditional love for us and our response to that love. All the rest of the talks on the weekend: piety, study, action, etc., simply spell out that response. "I will be with you always; fear not."

## Christmas for Seniors at the JC Arms

This year's CumChristo Christmas for Seniors at the JC Arms will be **Saturday, December 17 at 9:30 a.m.** The JC Arms are our neighbors across the street. The time is one hour later than in the past to allow them time to wake up! This bit of action includes creating bags of necessities for 250 senior aged men and women who are on food stamps, and delivering them with some Christmas cheer.

Donations of personal care items and cleaning products (both of manageable size for seniors to handle) may be brought to the CumChristo Center. Not sure what to donate? You may contribute cash, and we will purchase items. All donations will be accepted through Wednesday, December 14. Questions, contact Jenny Held at [jennymheld@aol.com](mailto:jennymheld@aol.com) or 777-5580, or Sue Shetler at [Sueann-s@cm-media.com](mailto:Sueann-s@cm-media.com) or 771-6830.

## CumChristo 2005 Sustaining Fund Pushing Toward Goal

CumChristo sets a goal for the Sustaining Fund drive each year. The 2005 Goal is \$25,000. So far this year, we have raised \$15,642.

The sustaining fund is used to support CumChristo operations which are staffed completely by volunteers. The majority of our expenses is allotted for food, supplies, and operational expenses of the building, which plays home to our weekend experiences, weekly Ultreyas and other community gatherings.

In addition to the sustaining fund, donations may also be made to the new Cursillistas Outreach Program, Christmas in July, and Christmas for Seniors. Would you like to honor the life of a friend or a loved one, acknowledge a birthday or anniversary? Donations such as these may be placed in the Memorial Fund.

Please prayerfully consider setting aside a gift to CumChristo in your charitable giving plans.
